**ARTICLE I (1)**  
**INTRODUCTION**

It is important to understand that these “Suggested” Bylaws and Structures are not meant to be used as hard and fast rules or law, rather that the “Suggested Guidelines” be taken from our shared experience. We recognize that the ultimate authority in the INLAND EMPIRE AREA SERVICE COMMITTEE is a “Loving God as He may express Himself in our group Conscience.”

**ARTICLE II (2)**  
**DEFINITION**

The Inland Empire Service Committee (IEASC)<sup>1</sup> is a group of elected representatives of Cocaine Anonymous comprised from groups throughout the Area, whose aim is to service the specific needs of its groups, and to facilitate ways of carrying “the message” to the addict who still suffers.

**ARTICLE III (3)**  
**PURPOSE OF IEASC**

The purpose of this committee shall be the administration and coordination of Cocaine Anonymous (CA)<sup>2</sup> business and activities common to the various groups comprising its membership.

Its aim is to further the CA message in accordance with The Twelve Tradition of CA, and to carry the message of CA.

The IEASC conducts a monthly meeting, usually the third<sup>3</sup> Saturday of every month, unless the third Saturday falls on a holiday weekend. Then, the monthly meeting will be held on the following Saturday.

**ARTICLE IV (4)**  
**FUNCTION**

- A. To collect and maintain all moneys in accordance with the Seventh Tradition, in order to carry on all the business of the Area. (It is a suggested guideline of the Area that all meetings contribute 70 % of their (7<sup>th</sup>) Tradition donations to the IEASC after expenses to carry out the above functions)<sup>4</sup>.
- B. The communication of information to and from CA groups in the Area through their Group Service Representative (GSR).
- C. The purchasing and distribution of chips and literature for all the groups within the Area.
- D. The administration and maintenance of a phone line.
- E. To carry the message of CA through the Public Information Committee in accordance with the Eleventh Tradition of CA.

Upon denial by the Board, approval can be gained by a majority vote of the IEASC. All CA literature is required to have the CA Logo with the Registered Trademark, and the CA Disclaimer.<sup>2</sup>

If working balance for any month is less then \$125, the Area will revert to the 70/30 plan giving CAWSO 30% of the working balance.
- M.** All IEASC reports and approved flyers shall be reimbursed at a maximum rate of \$0.09<sup>5</sup> per copy, 500 copies maximum.

**ARTICLE V(5)**  
**ROBERT'S RULES OF ORDER<sup>1</sup>**  
**SUMMARY OF MOTIONS**

**AMEND**

The motions to limit debates, refer to committee, and main motions may be amended. Motions to amend must be seconded, are debatable and require a majority vote for their adoption.

**APPEAL FROM DECISION**

Any decision by the chair may be appealed. The appeal is debatable only if the challenged decision refers to a debatable motion. The appeal requires a second and a majority vote to reverse the decision of the chair. All appeals must be made immediately after the decision in question.

**CLOSE (LIMIT) DEBATE**

Otherwise known as "Calling the Question." The motion to close debate and vote immediately on the main question requires a second, is not debatable, and requires a 2/3<sup>rds</sup> majority to pass. (Example: The motion to limit debate to xx minutes). This applies only to the main motion being considered.

**LAY ON THE TABLE**

A motion tabled may not be taken from the table the same day. "Tabling" therefore has the effect of postponing action on the motion in question. The motion to table requires a second, and is not debatable. It requires a majority vote to table.<sup>2</sup>A tabled motion automatically comes off the table the following month, under old business and is voted on. A motion may not be tabled twice.

**MAIN MOTIONS**

Main motions must be seconded, are debatable and require a majority vote for adoption. Main motion should be worded simply. Long motions must be submitted in writing and voted on accordingly. Any motion to change IEASC structures and policies must be submitted in writing with the current date of submission, including the year, as well as the maker's name,<sup>3</sup>one Area Meeting prior to it being voted on. It also requires a 2/3<sup>rds</sup> majority vote.

If a motion requires funds disbursement, the Chair will note whether funds are available from the working balance or if they would have to be provided from prudent reserves. If monies are to come from prudent reserves, this shall be noted in the motion. The main motion must then pass by a 2/3<sup>rds</sup> majority of present voting members and will have the effect of automatically suspending the rules and regulations to fund the motion from prudent reserve; providing it does not take us below three(3) months of operating expenses of \$1,230.00.<sup>4</sup>

**MOTION TO ADJOURN**

The motion to adjourn is debatable only when there are other motions before the Area not tabled.

**OBJECTION TO CONSIDERATION**

Occasionally, a ridiculous, offensive, or repugnant motion is made by an obstreperous member to insult or to otherwise waste the Areas' time. A member may rise without being recognized, saying "Mr. Chairman, I object to the consideration of this motion." The motion requires no second and is not debatable. The chair must immediately call for the vote. If more than 1/3<sup>rd</sup> votes for the consideration of the motion, the objection is overruled.

UPDATED 2011 BY S & B COMMITTEE  
SEE PAGE 25. D. 1-4 FOOTNOTES

## RECOGNITION

A member desiring to speak or make a motion shall raise their hand until recognized by the Chair. For motions not requiring recognition, the member must stand and speak interrupting the current speaker.

The ONLY MOTIONS where this action is in order are:

- To rise to a point of order
- Objection to consideration
- The motion to reconsider
- Appeal from decision

## REFER TO COMMITTEE

Sometimes motions require the attention of a Standing or Ad-Hoc Committee. The motion to refer must be seconded, is debatable and requires a majority vote to adopt.

## REMOVAL FROM OFFICE

At the rare occurrence that a Board member, Committee chair, or any other Area-Elected member has, by act or deed, refused to follow adopted structure, abused his/her position or extremely offended the IEASC, or has missed 3 consecutive Area meetings in a row without contact to any Board member<sup>1</sup>, a motion to remove him/her from office should be made. This motion is automatically tabled until the next area meeting, to give time for that person to be contacted, unless rules are suspended.<sup>2</sup>This motion requires a second, is debatable and requires a 2/3<sup>rd</sup>s majority vote.<sup>3</sup>

## RISE TO POINT OF ORDER (or POINT OF INFORMATION)

A member who feels that the parliamentary procedure is out of order may rise, saying “Mr. Chairman, I rise to a point of order” or “Point of order.” After the chair asks for his/her point, he/she states where a motion is out of order or where procedure has been violated. The chair immediately rules on the validity of the point, subject only to appeals. A member may raise saying, “Point of information.” After recognition by the chair, the member may ask for information, about procedure, previous action relating to the current motion or ask the speaker a question.

## TO RECONSIDER

The motion to reconsider a previously successful motion may only be made and seconded by members who voted with the prevailing side. It is debatable only if the motion to which it applies was debatable. It requires a majority vote to adopt. NO MOTION may be twice reconsidered.

## TO SUSPEND THE RULES

This motion must be qualified by stating the rules that should be suspended, that is, to consider a motion out of order or accepted procedure. This motion is not debatable, but requires a second and 2/3<sup>rd</sup>s majority for passage. When passed, it is in effect only until reason for qualification is resolved.

## WITHDRAW THE CURRENT MOTION

A person making a motion may decide after it has been seconded that they wish to withdraw the motion. The chair will ask for objections; if any, he/she will call for a vote on whether to allow the motion to be withdrawn. The withdrawal is not debatable, and requires a majority vote for adoption.

## ELECTIONS

The Chair shall call for elections where necessary or as the agenda specifies. The procedure shall be to ask for nominations from the floor, nominations must be seconded. After a cogent pause in nominations, the chair shall ask someone to move that nominations be closed.

The motion requires a second before voting. The Chair shall determine if those nominated will speak. The election proceeds after the candidates have left the room. If one candidate does not receive a majority of the votes, the two receiving the most votes shall remain outside, then a run-off election is held.

**RULES FOR VOTING ON MOTIONS**

**METHODS FOR VOTING <sup>1</sup>**

Voting at IEASC meetings shall be a show of hands both for and against to verify the outcome. The vote is to be conducted by the Area Chair. Voting shall be done publicly.

Phone votes on dates other than scheduled area meetings will be acceptable under the following guidelines:

- a.) Deemed necessary to help carry the message to the addict who still suffers, by three (3) of the five (5) board members.
- b.) The phone vote method is accepted by the person responsible for the motion.
- c.) The motion is put into writing and read in its entirety over the phone.
- d.) The chair or acting chair is the only person allowed to perform a phone vote. All reasonable effort must be made to contact all voting members.
- e.) In order for a motion to pass, it must have a majority (50%+1) vote of the representative membership of the area.
- f.) Accurate minutes and records of people contacted shall be read at the next area meeting. The minutes shall include any and all correspondence pertinent to the motion by the board that concerns the phone vote.
- g.) Motions that may not be decided by a phone vote are:
  - Changes concerning policy and procedure.
  - Expenditure of moneys held in the prudent reserve or from the working Balance<sup>1</sup>.

**QUORUM**

Representation for the purpose of a quorum should be the elected GSRs, Committee Chairs, Conference Delegates, Coffee Person and Board members only. A quorum shall consist of a majority (50%+1) of the representative membership of the Area plus a majority (50%+1) of the IEASC Board. A quorum shall be determined by a call for the roll at the beginning of the meeting. It is the chair's responsibility to verify that a quorum is present whenever there is a vote on any motion. A member, doubtful of the quorum may rise to a point order saying "I question the quorum" or "I challenge the quorum." Rules and precedents are the same as for rising to a point of order<sup>2</sup>. If a meeting fails to represent itself at the area level for three (3) consecutive meetings, that meeting will be dropped from the representative membership of the area that night, provided the meeting has been contacted after the second absence.<sup>3</sup>

**C.HOSPITAL and INSTITUTIONS COMMITTEE<sup>5</sup>:**

**WHY A COMMITTEE?**

The Committee guarantees continuity of C.A. meetings. Members come and go, but the committee continues. Trust in our actions and movements come from years of repetitive action by groups who know and conform to the established guidelines. No one individual can make this possible; only the continuity of a committee structure can. Problems which arise at an institution are resolved within the framework of the committee. H & I Committee members may seek advice and assistance for problems encountered in their particular facility with the knowledge that the combined committee experience will have faced and solved similar problems in the past.

Many institutions have stringent rules and regulations covering problems ranging from those of a simple custodial nature to the tighter security measures encountered in correctional facilities.

The H & I Committee of each Area or C.A. District is responsible for establishing guidelines and policy using normal voting procedures (the H & I group conscious).

**MEMBERSHIP QUALIFICATIONS**

It is suggested that a member of Cocaine Anonymous who wished to qualify for committee membership be sober a minimum of one year. Longer terms of sobriety may be required by some hospitals or institutions. It is suggested that only H & I members be permitted to chair or co-chair H & I meetings. Any member of C.A., invited guests, or interested party may attend the monthly H & I business meeting.

**CONDUCT**

A member of the H & I Committee may be subject to suspension by an H & I Committee simple majority vote if any of the following occurs:

1. upon the loss of the member's sobriety. Sobriety requirements will have to be re-established for re-instatement.
2. Refusal to abide by the rules and regulations of the institution being served.
3. Refusal to abide by the H & I Committee guidelines.
4. While attending an H & I meeting, a member solicits, recommends or Advises any person at the facility to any other facility or professional treatment.

Any committee member who has been suspended has the right to appeal such suspension at the next regularly scheduled H & I Committee business meeting.

In addition, the panel leader of each meeting is required to attend the monthly H & I Business meeting at least once every three (3) months. By the 3<sup>rd</sup> meeting (after

missing two), the panel leader should have their alternate leader fill in @the panel, so attendance at H & I Committee level can be met. Failure to do so can result in replacement of the panel leader or alternate leader by the committee. This action does not exclude the member from other committee participation.

## **ARTICLE XII (12)**

### **GROUP SERVICE REPRESENTATIVE**

In order to have a vote at the IEASC Meeting, a group must be in existence for four (4) continuous weeks. Its GSR will attend two (2) consecutive IEASC Meetings and becomes eligible to vote upon the second meeting. Each group should hold elections for one GSR and one GSR Alternate, on a yearly basis.

- a.) The GSR shall have one vote at the IEASC Meetings.
- b.) Each GSR shall not represent more than one group in the area at one time.
- c.) The GSR Alternate shall fill in for a GSR who cannot attend or should the GSR be unable to fulfill his/her entire term in office.
- d.) The GSR is responsible for the transportation of any moneys from the group to the IEASC meeting.

The GSR speaks for their group conscience at all IEASC Meetings. They take part in the planning and implementation of any functions which affect the members of their groups. Their participation at the IEASC meetings allows them to keep their group informed about what is happening in CA. A group member should always be able to go to their GSR and find out about activities, other groups, how the service structure works, about the Traditions, and how they can become more involved in CA. A GSR normally serves a one (1) year term.

Meetings outside of a fifty (50) mile radius from the monthly meeting of the IEASC, may send their GSR to attend quarterly. A monthly contact should be maintained.

The GSR Alternate normally serves in that capacity for a one (1) year term. This is spent working closely with the GSR, learning the duties of the office and stepping in should the GSR be absent or unable to complete his/her term. The Alternate would then take the office of the GSR, by approval and election by the group, taking on the full responsibilities of the office. In turn they are assisted by the newly elected GSR Alternate.

This apprentice system serves two purposes: first, it helps provide a continuity of service and representation so that a group is never unrepresented, and second, the time spent as an alternate provides the necessary training to make for a competent GSR.

As it can be seen, the role of your GSR is not a simple one, nor should it be taken lightly. The election of good GSRs and Alternates is probably the most important thing that a group can do for CA unity. In choosing your GSR, remember that they are your eyes and ears in CA and it is strongly suggested that the following be considered.

- a.) The willingness and desire to serve.
- b.) A history of recovery. (suggested six months)
- c.) An active participation in the group they are to serve.
- d.) Should have clear working knowledge of The Twelve Steps and Twelve Traditions.
- e.) An understanding of the service structure of CA and the responsibilities of the GSR.
