

## WHAT IS COCAINE ANONYMOUS?

We are a fellowship of cocaine addicts who meet together to share our experience, strength and hope for the purpose of staying sober and helping others achieve the same freedom. Everything heard at our meetings is to be treated as confidential. There are no dues or fees of any kind. The only requirement to become a member, is a desire to stop using cocaine and all other mind altering substances. We also exchange phone numbers to support each other in between meetings.

We are all on equal footing here. Everyone in these rooms is here because he or she has a desire to stop using cocaine and all other mind-altering substances. We are men and women of all ages, races, and social backgrounds, with a common bond of addiction. "The Twelve Steps of Recovery" were gratefully borrowed from Alcoholics Anonymous. Their more than 70 years of experience with alcoholism teaches us that the best human help an addict can receive is from an ex-problem drinker/addict.

We welcome all newcomers to experience the "Twelve Steps of Cocaine Anonymous." You are the life blood of our fellowship. In great part, it is carrying the message of recovery to others like ourselves, that helps us to recover.
